

## Building Schedules Worksheet

Build two lists of courses. This is not your schedule but a list of courses you are interest in taking. ***This is a practice exercise only.***

In this exercise you will arrange the courses so they don't have time conflicts and they meet the course load requirement.

- Find at least two courses of interest that will fulfill the First-year Seminar, first-year writing, PACE, Personal Health, and foreign language (optional) requirements.
- Use the remaining options that will best fit your list
  - Find one course that will fulfill a major or minor requirement.
  - Find one course outside of your area of interest.
  - (AP/IB) if you have fulfilled a GER with a AP/IB credits, find a course that will fulfill a GER or a major/minor requirement.
  - If needed, find another GER
  - Make sure your course load does not exceed 19 credit hours.
